## About LeopardyNonsense

Want to brighten someone's day?  
LeopardyNonsense cards and gifts are spot on!

Hello! My name's Elaine Macintyre and I'm an illustrator from Edinburgh. I have an MA in Children's Book Illustration from the University of Central Lancashire and I specialise in drawing cute and characterful animals. I love making people smile with my designs - if I can make someone's day that little bit nicer then my work is done.

I currently offer a range of cards for lots of different occasions and a set of animal and dinosaur giclee prints which make perfect gifts for parents and children. All cards are A6 (10.5 x 14.8cm) and printed on recycled, FSC certified paper by UK printers Printed.com. They come with envelopes and have protective compostable cellophane wrappers, or can be supplied 'naked'. The giclee prints are printed by local Edinburgh open access community print workshop Bare Branding.

If you'd like to stock my cards or prints on a wholesale purchase, sale or return or commission basis please get in touch - I'd love to hear from you. There are more details at the back of the catalogue.

I also do bespoke commissions, so if there's anything I can do for you, please let me know.
